Goodman: im telling you im not an alien i don't have anything to do with what's going on

Tommy: as everybody was yelling my mom looked at me and i nodded knowing what she was meaning you see we were sent here by the government to plant all these things and do stuff to these people and record their reactions all these things that have been happening where we are well and the government we replaced all the cars we had ones that won't start and we made goodmans start all by its self to make sure they thought it was him goodman in on it to he really is innocent right now my mom is dragging me into the house she treats me like a baby sometimes i just made the call to knock everybody out with knockout gas and they will wake up not knowing what happened and we will have all the information we need....
